Index to Volume 42, 1988

Author Index

A

Andersen LT. Appealing Medicare denials, 42(6):353–358
Anderson J, see HINOJOSA J
Anderson JM, see ANDERSON LJ
Anderson LJ, Anderson JM. Brief or New—An assistive device for toddlers ambulating with an intravenous pole, 42(10):671–672
Anderson LJ, Anderson JM. Hand splinting for infants in the intensive care and special care nurseries, 42(4):222–226
Azen SP, see YERXA EJ

B

Baum CM, Gray MS. Nationally Speaking—Certification: Serving the public interest, 42(2):77–79
Bell E. Nationally Speaking—Policies: Our footprints in the past, our signposts for the future, 42(4):211–213
Benham PK. Attitudes of occupational therapy personnel toward persons with disabilities, 42(5):305–311
Benham PK. Letters to the Editor—Author's reply, 42(10):677
Bloom DT. Letters to the Editor—Others' research can affect our practice, 42(10):677
Bloomer J, see HOUSTON D
Blossom D, see WILSON WF
Bobco JM. Brief or New—Shoe donner, 42(12):811–813
Bonder BR. Letters to the Editor—Author's response, 42(5):330
Bordieri JE, see DAVIS GL
Boughton JA, see NELSON DL
Boys M, Fisher P, Holzberg C, Reid DW. The OSOT Perceptual Evaluation: A research perspective, 42(2):92–98
Bradley LA, see WILSON WF
Brashear RM, see RIDER BA
Brayley CR, see ROGERS JC
Breines EB. The Issue Is—Redefining professionalism for occupational therapy, 42(1):55–57
Brollier C, Watts J. The Foundation—Comparison and concurrent validity examination of two evaluation instruments used with psychiatric patients, 42(12):829
Bruce MA, Christiansen CH. The Issue Is—Advocacy in word as well as deed, 42(3):189–191
Bruni K. Letters to the Editor—Team building works, 42(3):193
Burnett-Beaulieu S, see YERXA EJ

C

Campbell PH. Using a single-subject research design to evaluate the effectiveness of treatment, 42(11):732–738
Carter LT, Oliveira DO, Duponte J, Lynch SV. The relationship of cognitive skills performance to activities of daily living in stroke patients, 42(7):449–455
Case-Smith J. An efficacy study of occupational therapy with high-risk neonates, 42(8):499–506
Casey CA, Kratz EJ. Brief or New—Soft splinting with neoprene: The thumb abduction supinator splint, 42(6):395–398
Cassidy JC. Access to health care: A clinician's opinion about an ethical issue, 42(5):295–299
Cermak SA, see LENNOX L
Cermak SA, see O'BRIEN V
Chamoff CK. Letters to the Editor—Software designer finds inaccuracies in review, 42(8):538–539
Chow JA, see DOVELLE S
Christiansen CH, see BRUCE MA
Christiansen CH, Fritz L. Nationally Speaking—Matters of budget: The association's fiscal status and management, 42(6):349–352
Clark F, see PARUSH S
Clark-Wilson J, see GILES GM
Coffey MS. Brief or New—Occupational therapy ethics self-assessment index, 42(5):321–323
Cohen H. How to read a research paper, 42(9):596–600
Cohn ES, Frum DC. The Issue Is—Fieldwork supervision: More education is warranted, 42(5):325–327
Colman W, see SCHWARTZ KB
Colman W. The evolution of occupational therapy in the public schools: The laws mandating practice, 42(11):701–705
Cooper RG, see CRIST PAH
Corbin DE, see PAYNE MJ
Coutinho MJ, Hunter DL. Special education and occupational therapy: Making the relationship work, 42(11):706–712
Cox RC, see ROGERS JC
Crist PAH, Cooper RG. Nationally Speaking—Evaluating clinical competence with the new Fieldwork Evaluation, 42(12):771–773
Cronin AF. Letters to the Editor—Author's response, 42(8):539
Crowe TK, see KRAMER LA
Curry J, Exner C. Comparison of tactile preferences in children with and without cerebral palsy, 42(6):371–377

D

Davis GL, Bordieri JE. Perceived autonomy and job satisfaction in occupational therapists, 42(9):591–595
DeButts S, see VON T
Deitz J, see ROBERTSON A
Deitz JC, see KRAMER LA
Deitz JC, see VON T
DeWalt JP. Letters to the Editor—Did change of wording influence subjects' responses?, 42(10):677
Dodson SC, see ROGERS JC
Dovelle S, Heeter PK, Fischer DR, Chow JA. Case Report—Early controlled motion following flexor tendon graft, 42(7):457–463
Dovelle S, Heeter PK, McFaul TV. Brief or New—A dynamic finger flexion loop, 42(8):535–537
Dunn W. Models of occupational therapy service provision in the school system, 42(11):718–723
Duponte J, see CARTER LT

E

Exner C, see CURRY J

F

Fine SB. Nationally Speaking—Working the system: A perspective for managing change, 42(7):417–419
Fischer DR, see DOVELLE S
Fisher AG, Wietlisbach SE, Wilbarger JL. Adult performance on three tests of equilibrium, 42(1):30–35
Fisher P, see BOYS M
Foto M. Nationally Speaking—Managing changes in reimbursement patterns, part 1, 42(9):563–565
Foto M. Nationally Speaking—Managing changes in reimbursement patterns, part 2, 42(10):629–631
Friedland J. The Issue Is—*Diversional activity*: Does it deserve its bad name?, 42(9):603–608
Fritz L, see CHRISTIANSEN CH
Frum DC, see COHN ES

G

Gevelinger M, Ottenbacher KJ, Tiffany T. The reliability of the motor development checklist, 42(2):81–86
Giles GM, Clark-Wilson J. The use of behavioral techniques in functional skills training after severe brain injury, 42(10):658–665
Gilfoyle EM. Nationally Speaking—Partnerships for the future, 42(8):485–488
Gisel EG. Chewing cycles in 2- to 8-year-old normal children: A developmental profile, 42(1):40–46
Gisel EG. Development of oral side preference during chewing and its relation to hand preference in normal 2- to 8-year-old children, 42(6):378–383
Gisel EG. Tongue movements in normal 2- to 8-year-old children: Extended profile of an eating assessment, 42(6):384–389

Grady AP. Nationally Speaking—AOTA organizational planning: Focusing on the future, 42(3):143–145
Gray MS, see BAUM CM
Greer DL, see PAYNE MJ

H

Haddad AM. Teaching ethical analysis in occupational therapy, 42(5):300–304
Hage G. Brief or New—Makeup board for women with quadriplegia, 42(4):253–255
Hall M. Letters to the Editor—Author's response, 42(3):194
Hanft B. The changing environment of early intervention services: Implications for practice, 42(11):724–731
Hansen RA. Nationally Speaking—Ethics is the issue, 42(5):279–281
Hansen RA, Kamp L, Reitz S. Two practitioners' analyses of occupational therapy practice dilemmas, 42(5):312–319
Hawkins J, see RIOPEL NJ
Heck SA. The effect of purposeful activity on pain tolerance, 42(9):577–581
Heeter PK, see DOVELLE S
Henderson A. Occupational therapy knowledge: From practice to theory, 42(9):567–576
Henry AD, see KIELHOFNER G
Hinojosa J, Anderson J, Strauch C. Pediatric occupational therapy in the home, 42(1):17–22
Hojem M, see OTTENBACHER KJ
Holzberg C, see BOYS M
Houston D, Williams S, Bloomer J, Mann WC. The Foundation—The Bay Area Functional Performance Evaluation: Development and standardization, 42(12):829
Hunt L. Case Report—Continuity of care maximizes autonomy of the elderly, 42(6):391–393
Hunter DL, see COUTINHO MJ

I

Inveen S. Letters to the Editor—Likes the issue on technology, 42(3):194

J

Johnson CR. Case Report—Aquatic therapy for an ALS patient, 42(2):115–120
Johnson MB, see OTTENBACHER KJ
Jones JL. Looking Back—Early occupational therapy education in Wisconsin: Elizabeth Upham Davis and Milwaukee-Downer College, 42(8):527–533

BOOK REVIEWS
Activity programming for the elderly, LE Crepeau, 42(6):404
Adolescent anger control: Cognitive-behavioral techniques, EL Feindler, RB Ecton, 42(3):201–202
Advances in clinical rehabilitation (Vol. 1), MG Eisenberg, R Grzesiak, Editors, 42(9):619
Aging with a disability, RB Trieschmann, 42(9):618
Aids for people with disabilities; Bibliography with summaries of performance studies, Research Institute for Consumer Affairs, 42(11):755–757
Approaches to patient care assessment in a multihospital system: Report of the Sisters of Mercy Health Corporation, CM Sicher, 42(6):402–403
Assessment of individuals with severe handicaps: An applied behavior approach to life skills assessment, DM Browder, 42(4):264
Behavior management in the schools: Principles and procedures, RM Wielkiewicz, 42(8):548
Biofeedback and related therapies in clinical practice, D Marcer, 42(2):134
Body shop, JM Cauwells, 42(9):618–619
Brain injury rehabilitation: A neurobehavioural approach, RL Wood, 42(7):471
Children with handicaps: A medical primer (2nd ed.), ML Batshaw, YM Perret, 42(2):132–133
Children with spina bifida: Early intervention and preschool programming, GG Williamson, M Szczepanski, Editors, 42(4):264–265
Choices: A guide to sex counseling with physically disabled adults, ME Neistadt, M Freda, 42(3):201
CIBA collection of medical illustrations (Vol. 8): Musculoskeletal system, part I, anatomy, physiology, and metabolic disorders, FH Netter, 42(8):547
Clinical mechanics of the hand, PW Brand, 42(3):199
Communication and cognition in normal aging and dementia, KA Bayles, AW Kaszniak, 42(4):266
Community programs for the depressed elderly: A rehabilitation approach, ED Taira, Editor, 42(8):547
Computer applications in occupational therapy, FS Cromwell, Editor, 42(11):759
Contemporary ergonomics 1987: Proceedings of the Ergonomics Society's 1987 Annual Conference, Swansea, Wales, 6–10 April 1987, ED Megaw, Editor, 42(8):545
Continuity of care: Advancing the concept of discharge planning, E McClelland, K Kelly, KC Buckwalter, 42(3):200
Cunningham's manual of practical anatomy (15th ed.): Upper and lower limbs (Vol. 1); Thorax and abdomen (Vol. 2); Head and neck and brain (Vol. 3), GJ Romanes, 42(3):199–200

Depression and its treatment: Help for the nation's #1 mental disorder (rev. ed.), JH Greist, JW Jefferson, 42(11):757
Designing and conducting behavioral research, CJ Drew, ML Hardman, 42(2):133
Diagnostic and statistical manual of mental disorders (3rd ed. rev.), American Psychiatric Association, 42(10):683–684
[1987–88] Directory of facilities and services for the learning disabled (12th ed.), 42(5):338
Disability and the labor market: Economic problems, policies, and programs, M Berkowitz, MA Hill, Editors, 42(6):405
Disturbed behavior in the elderly, AG Awad, H Durost, HMR Meyer, WO McCormick, Editors, 42(6):404–405
Educating children with multiple disabilities: A transdisciplinary approach, FP Orelove, D Sobsey, 42(4):264
Educational toys and games: A practical guide to selection and utilization, E Lederman, 42(10):683
Education, vocational, and social integration. The journal of head trauma rehabilitation (Vol. 2, No. 1, March 1987), S Berrol, M Rosenthal, Editors, 42(2):135
Effectiveness of early intervention for at-risk and handicapped children, MJ Guralnick, FC Bennett, Editors, 42(1):62
Encyclopedia of medical organizations and agencies (2nd ed.), AT Kruzaz, K Gill, R Wilson, Editors, 42(4):266–268
Evaluating clinical change: Strategies for occupational and physical therapists, KJ Ottenbacher, 42(10):684
Evaluation and treatment of eating disorders, D Gibson, Editor, 42(8):548
Group cognitive therapy: A treatment approach for depressed older adults, EB Yost, LE Beutler, MA Corbishley, JR Allender, 42(11):755
Group process: Using therapeutic activities in chronic care, M Ross, 42(6):406–407
Guide to health care joint ventures, ID Snook, Jr, EM Kaye, 42(4):265–266
Guide to rehabilitation, PM Deutsch, HW Sawyer, 42(8):546
Handbook of clinical gerontology, LL Carstensen, BA Edelstein, Editors, 42(8):546
Handbook of orthopaedic surgery (10th ed.), HR Brashear, Jr, RB Raney, Sr, 42(2):134–135
Hand splinting—Principles and methods (2nd ed.), EE Fess, CA Philips, 42(5):337
Health care ethics: An introduction, D VanDeVeer, T Regan, Editors, 42(1):62
High-risk infants: Identification, assessment, and intervention, LM Rossetti, 42(2):133–134
High-risk neonate: Developmental therapy perspectives (Vol. 6, Issues 3, 4), JK Sweeney, Editor, 42(2):134
Home care: Positioning the hospital for the future, D Lerman, Editor, 42(6):407
Human development and learning, RD Strom, HW Bernard, SK Strom, 42(10):681–682
Human disease: A systemic approach (2nd ed.), ML Mulvihill, 42(8):545
Improving residential life for disabled people, K Tully, 42(7):472
Inpatient group psychotherapy: A psychodynamic perspective, CA Rice, JS Rutan, 42(1):63
Interdisciplinary rehabilitation in trauma, JJ Gerhardt, E Reiner, BO Schwaiger, PS King, 42(2):132
International perspective on community services and rehabilitation for persons with chronic mental illness (World Rehabilitation Monograph No. 36), MA Jansen, Editor, 42(6):402
Intervention guidelines for the client-centered practice of occupational therapy, Department of National Health and Welfare and the Canadian Association of Occupational Therapists, 42(6):403–404
Journal of marketing mental health (Vol. 1, No. 1), WJ Winston, Editor, 42(7):471–472
Learning disabilities, medicine and myth: A guide to understanding the child and the physician, RB Johnston, 42(5):337
Management accounting for healthcare organizations (2nd ed.), JD Suver, BR Neumann, 42(8):545
Medical and health information directory: Vol. 1. Organizations, agencies, and institutions (4th ed.), K Backus, Editor, 42(10):685
Microcomputers: Clinical applications, EN Clark, Editor, 42(7):470
Neural basis of motor control, VB Brooks, 42(8):548
New dimensions in wellness: A context for living, JA Johnson, 42(6):405–406
Opportunities in gerontology careers, E Williams, 42(5):337–338
Pain management: Asssessment and treatment of chronic and acute syndromes, W-h Wu, LG Smith, Editors, 42(4):268
Parenting your disabled child, B Ikeler, 42(2):133
Pediatric psychology: Psychological interventions and strategies for pediatric problems, MC Roberts, 42(8):548
Perspectives on drug use in the United States, B Segal, Editor, 42(1):64
Pharmacology for the health professional, DE Becker, 42(3):200–201
Plant, technology, and safety management (PTSM) series, D Bushell, Editor, OR Keil, Technical Consultant, 42(7):472
Positive approach to head injury: Guidelines for professionals and families, B Slater, M Kendricken, B Zoltan, 42(5):336–337
Prehension assessment: Prosthetic therapy for the upper-limb child amputee, D Krebs, Editor, 42(9):619
Preventing AIDS: A practical guide for everyone, JF Benza, RD Zumwalde, 42(4):266
Psychiatric occupational therapy: A workbook of practical skills, PL Denton, 42(6):403
Psychological maltreatment of children and youth, MR Brassard, R Germain, SN Hart, Editors, 42(9):617–618
Psychosocial components of occupational therapy, AC Mosey, 42(3):200
Rehabilitation psychology desk reference, B Caplan, Editor, 42(5):336
Rehabilitation R&D progress reports, Veterans Administration, 42(3):199
Related services for handicapped children, MM Esterson, LF Bluth, Editors, 42(8):545–546
Social Security disability programs: An international perspective (Monograph No. 41), B Duncan, D Woods, Editors, 42(10):681
Sociocultural implications in treatment planning in occupational therapy, FS Cromwell, Editor, 42(3):202
Spinal cord injury—A guide for patient and family, L Phillips, MN Ozer, P Axelson, H Chizeck, 42(10):682
Spinal cord injury: A guide to functional outcomes in occupational therapy, JP Hill, S Intagliata, Editors, 42(4):265
Spinal cord injury: Concepts and management approaches, LE Buchanan, DA Nawoczenski, Editors, 42(1):63–64
Splinting the burn patient, CJ Walters, 42(1):64
Stedman's pocket medical dictionary, WR Hensyl, H Felscher, Editors, 42(3):202
Stress inoculation training: Psychology practitioner guidebooks, D Meichenbaum, 42(7):470
Stroke patient: A team approach (3rd ed.), M Johnstone, 42(11):757, 759
Symptom management in multiple sclerosis, RT Shapiro, 42(3):201
Treating childhood and adolescent obesity, DS Kirschenbaum, WG Johnson, PM Stalonas, Jr, 42(9):617
Treating the disorder, treating the family, J Orford, Editor, 42(10):682–683
Vestibular processing dysfunction in children, KJ Ottenbacher, MA Short, Editors, 42(8):547–548
Visual arts and older people: Developing quality programs, P Greenberg, 42(1):62–63
Webster's new world medical word finder (4th ed.), Compiled by G Willeford, Jr., 42(10):685
Who gets sick: Thinking and health, B Justice, 42(8):546–547
Your Down's syndrome child: Everything today's parents need to know about raising their special child, E McClurg, 42(7):470–471

BRIEF OR NEW

A dynamic finger flexion loop, S Dovelle, PK Heeter, TV McFaul, 42(8):535–537

An assistive device for toddlers ambulating with an intravenous pole, LJ Anderson, 42(10):671–672
Cloth sling for treatment of infant gastroesophageal reflux, DG Nordstrom, 42(7):465–468
Makeup board for women with quadriplegia, G Hage, 42(4):253–255
Occupational therapy ethics self-assessment index, MS Coffey, 42(5):321–323
Promoting occupational therapy by using a simulated hemiplegic arm to demonstrate dressing technique, JD Rocker, 42(2):123–126
Roll splints: An option in low-profile dynamic splinting, BB Lucas, 42(1):49–52
Shoe donner, JM Bobco, 42(12):811–813
Soft splinting with neoprene: The thumb abduction supinator splint, CA Casey, EJ Kratz, 42(6):395–398
The D–Z Stump Protector, DP Livingstone, 42(3):185–187

C

CASE REPORT
Aquatic therapy for an ALS patient, CR Johnson, 42(2):115–120
Continuity of care maximizes autonomy of the elderly, L Hunt, 42(6):391–393
Early controlled motion following flexor tendon graft, S Dovelle, PK Heeter, DR Fischer, JA Chow, 42(7):457–463
Outpatient treatment for an adult with traumatic brain injury, KB Simon, 42(4):247–251
Therapeutic intervention with an adapted toy, SE Williams, 42(10):673–676

Subject Index

A

ACCOUNTING
Significance of clinical change and clinical change of significance: Issues and methods, 42(3):156–163
ACQUIRED IMMUNODEFICIENCY SYNDROME
Psychosocial occupational therapy intervention with AIDS patients, 42(8):507–512
ACTIVITIES OF DAILY LIVING
Functional skill regression in late-stage dementias, 42(10):666–669
Relationship of cognitive skills performance to activities of daily living in stroke patients, 42(7):449–455
Use of behavioral techniques in functional skills training after severe brain injury, 42(10):658–665
ACTIVITY ANALYSIS
Effects of project versus parallel groups on social interaction and affective responses in senior citizens, 42(1):23–29
Intrinsic motivation in product-oriented and non-product-oriented activities, 42(3):169–175
Occupation: Form and performance, 42(10):633–641
ACTIVITY GROUPS
Independent living skills groups in a Level I fieldwork experience, 42(12):782–786
ADAPTATION, PSYCHOLOGICAL
Occupation: Form and performance, 42(10)633–641
ADAPTED EQUIPMENT
Quality assurance in equipment ordering for the spinal cord–injured client, 42(1):36–39
AGING
Functional skill regression in late-stage dementias, 42(10):666–669
AMERICAN OCCUPATIONAL THERAPY ASSOCIATION
Awards
Cordelia Myers Writer's Award, MJP McGuire, 42(5):294
Business meeting, minutes
The 1988 annual business meeting, 42(12):808–810
Educational programs
Listing of educational programs in occupational therapy, 1988–1989, 42(12):797–804
Official documents
Occupational therapy code of ethics, 42(12):795–796
Occupational therapy services in early intervention and preschool services (Position paper), 42(12):793–794
Recisions of and changes in the *Reference Manual of Official Documents* of the American Occupational Therapy Association, Inc. 42(12):794
President's address
Nationally Speaking—Partnerships for the Future, 42(8):485–488
Representative assembly, minutes
The 1988 representative assembly summary of minutes, 42(12):805–807
Slagle lectures
Occupational therapy knowledge: From practice to theory—1988 Eleanor Clarke Lecture, 42(9):567–576
AMERICAN OCCUPATIONAL THERAPY FOUNDATION
The Foundation—Ethical considerations for research in occupational therapy, 42(2):129–130
The Foundation—Research abstracts, 42(4):257–259, 42(8)540–542, 42(12):828–830
AMPUTATION
Brief or New—The D–Z Stump Protector, 42(3):185–187
Comparison of myoelectric and conventional prostheses for adolescent amputees, 42(2):87–91
ASSISTIVE DEVICES
Brief or New—An assistive device for toddlers ambulating with an intravenous pole, 42(10):671–672
Brief or New—Shoe donner, 42(12):811–813
ATTITUDE OF HEALTH PERSONNEL
Attitudes of occupational therapy personnel toward persons with disabilities, 42(5):305–311
AUTONOMY
Ethical reasoning and informed consent in occupational therapy, 42(5):283–287

B

BEHAVIOR THERAPY
Anger intervention, 42(3):147–155
Use of behavioral techniques in functional skills training after severe brain injury, 42(10):658–665
BRAIN DAMAGE
Therapy
Therapeutic work program for head-injured adults, 42(6):364–370
BRAIN DAMAGE, CHRONIC
Functional skill regression in late-stage dementias, 42(10):666–669
BRAIN INJURIES
Use of behavioral techniques in functional skills training after severe brain injury, 42(10):658–665
BURNOUT, PROFESSIONAL
Burnout in occupational therapists, 42(12):787–792

C

CEREBRAL PALSY
Brief or New—Soft splinting with neoprene: The thumb abduction supinator splint, 42(6):395–398
Therapy
Case Report—Therapeutic intervention with an adapted toy, 42(10):673–676
CHILD DEVELOPMENT
Chewing cycles in 2- to 8-year-old normal children: A developmental profile, 42(1):40–46
Comparison of motor performance of preschoolers enrolled in mental health programs and non–mental health programs, 42(8):520–525
Description of grip strength in preschool children, 42(10):647–652
Occupational therapy services in early intervention and preschool services (Position paper), 42(12):793–794
CHILD DEVELOPMENT DISORDERS
Comparison of tactile preferences in children with and without cerebral palsy, 42(6):371–377
Effects of chronic otitis media on motor performance in 5- and 6-year-old children, 42(7):421–426
CHILDREN, HANDICAPPED
Planning playgrounds for children with disabilities, 42(10):653–657
CLINICAL REASONING
Two practitioners' analyses of occupational therapy practice dilemmas, 42(5):312–319
COGNITION DISORDERS
Relationship of cognitive skills performance to activities of daily living in stroke patients, 42(7):449–455
COMMUNITY HEALTH SERVICES
Case Report—Continuity of care maximizes autonomy of the elderly, 42(6):391–393
Case Report—Outpatient treatment for an adult with traumatic brain injury, 42(4):247–251
Satisfaction with Performance Scaled Questionnaire (SPSQ), 42(4):215–221
CONSUMER PARTICIPATION
Ethical reasoning and informed consent in occupational therapy, 42(5):283–287
COSTS AND COST ANALYSIS
Occupational therapy Level II fieldwork experience: Estimation of the fiscal benefit, 42(3):164–168

Quality assurance in equipment ordering for the spinal cord–injured client, 42(1):36–39
COUNSELING, SEX
Professional involvement in sexuality counseling for patients with spinal cord injuries, 42(2):105–112
CURRICULUM
Sexual functioning as a topic in occupational therapy training: A survey of programs, 42(4):227–230

D

DECISION MAKING
Ethical reasoning and informed consent in occupational therapy, 42(5):283–287
DEGLUTITION
Tongue movements in normal 2- to 8-year-old children: Extended profile of an eating assessment, 42(6):384–389
DEVELOPMENT
Adult performance on three tests of equilibrium, 42(1):30–35
DEVELOPMENTAL DISABILITIES
Reliability of the motor development checklist, 42(2):81–86
DEVELOPMENTAL THERAPY
Occupational therapy services in early intervention and preschool services (Position paper), 42(12):793–794
DOCUMENTATION
Appealing Medicare denials, 42(6):353–358
Occupational therapy treatment in home health care, 42(8):513–519
Significance of clinical change and clinical change of significance: Issues and methods, 42(3):156–165
DOWN SYNDROME
Attitudes of occupational therapy personnel toward persons with disabilities, 42(5):305–311
DRESSING TECHNICS
Brief or New—Shoe donner, 42(12):811–813
DYSPRAXIA
Relationship between visual-perceptual motor abilities and clumsiness in children with and without learning disabilities, 42(6):359–363

E

EAR DISEASES
Effects of chronic otitis media on motor performance in 5- and 6-year-old children, 42(7):421–426
EATING AND FEEDING EVALUATION
Chewing cycles in 2- to 8-year-old normal children: A developmental profile, 42(1):40–46
EATING ASSESSMENT
Tongue movements in normal 2- to 8-year-old children: Extended profile of an eating assessment, 42(6):384–389
EDUCATION
Brief or New—Promoting occupational therapy by using a simulated hemiplegic arm to demonstrate dressing technique, 42(2):123–126
How to read a research paper, 42(9):596–600
Looking Back—Historical research methods in occupational therapy, 42(4):239–244
EDUCATIONAL OUTCOMES
Educational preparation and professional activities of occupational therapists, 42(10):642–646
EDUCATION, OCCUPATIONAL THERAPY
Educational preparation and professional activities of occupational therapists, 42(10):642–646
Independent living skills groups in a Level I fieldwork experience, 42(12):782–786
Listing of educational programs in occupational therapy, 1988–1989, 42(12):797–804
Looking Back—Early occupational therapy education in Wisconsin: Elizabeth Upham Davis and Milwaukee-Downer College, 42(8):527–533
Occupational therapy Level II fieldwork experience: Estimation of the fiscal benefit, 42(3):164–168
Sexual functioning as a topic in occupational therapy training: A survey of programs, 42(4):227–230
Teaching ethical analysis in occupational therapy, 42(5):300–304
EDUCATION, SPECIAL
Special education and occupational therapy: Making the relationship work, 42(11):706–712
ELECTRICAL STIMULATION
Effect of purposeful activity on pain tolerance, 42(9):577–581
EMPIRICAL LITERATURE
How to read a research paper, 42(9):596–600
ENVIRONMENTAL STIMULATION
Reliability and validity of a sensory developmental expectation questionnaire for mothers of newborns, 42(1):11–16
ENVIRONMENT DESIGN
Planning playgrounds for children with disabilities, 42(10):653–657
EQUILIBRIUM
Adult performance on three tests of equilibrium, 42(1):30–35
EQUIPMENT DESIGN
Splints
Brief or New—Roll splints: An option in low-profile dynamic splinting, 42(1):49–52
Toys
Case Report—Therapeutic intervention with an adapted toy, 42(10):673–676
ETHICS, OCCUPATIONAL THERAPY
Occupational therapy code of ethics, 42(12):795–796
ETHICS, PROFESSIONAL
Access to health care: A clinician's opinion about an ethical issue, 42(5):295–299
Attitudes of occupational therapy personnel toward persons with disabilities, 42(5):305–311
Brief or New—Occupational therapy ethics self-assessment index, 42(5):321–323
Ethical considerations in clinical reasoning: The impact of technology and cost containment, 42(5):288–294
Teaching ethical analysis in occupational therapy, 42(5):300–304
Two practitioners' analyses of occupational therapy practice dilemmas, 42(5):312–319
EXERCISE THERAPY
Case Report—Aquatic therapy for an ALS patient, 42(2):115–120
EXERTION
Intrinsic motivation in product-oriented and non-product-oriented activities, 42(3):169–175

F

FAMILY
Changing environment of early intervention services: Implications for practice, 42(11):724–731
FAMILY THERAPY
Occupational therapy services in early intervention and preschool services (Position paper), 42(12):793–794
FEEDING BEHAVIOR
Chewing cycles in 2- to 8-year-old normal children: A developmental profile, 42(1):40–46
Efficacy study of occupational therapy with high-risk neonates, 42(8):499–506
FINGER INJURIES
Brief or New—A dynamic finger flexion loop, 42(8):535–537
FOOD, TEXTURE
Tongue movements in normal 2- to 8-year-old children: Extended profile of an eating assessment, 42(6):384–389

G

GASTROESOPHAGEAL REFLUX
Brief or New—Cloth sling for treatment of infant gastroesophageal reflux, 42(7):465–468
GERONTOLOGY
Effects of project versus parallel groups on social interaction and affective responses in senior citizens, 42(1):23–29
GESTURES
Praxis and gesture comprehension in 4-, 5-, and 6-year-olds, 42(2):99–104

GRIP STRENGTH
Description of grip strength in preschool children, 42(10):647–652
GROUP PROCESSES
Effects of project versus parallel groups on social interaction and affective responses in senior citizens, 42(1):23–29
Independent living skills groups in a Level I fieldwork experience, 42(12):782–786

H

HAND
Hand splinting for infants in the intensive care and special care nurseries, 42(4):222–226
HAND DYSFUNCTION
Assessment
Comparison of tactile preferences in children with and without cerebral palsy, 42(6):371–377
Therapy
Brief or New—Soft splinting with neoprene: The thumb abduction supinator splint, 42(6):395–398
HAND FUNCTION
Description of grip strength in preschool children, 42(10):647–652
HANDICAPPED, PHYSICALLY
Pediatric occupational therapy in the home, 42(1):17–22
HEALTH POLICY
Access to health care: A clinician's opinion about an ethical issue, 42(5):295–299
HEALTH PROMOTION
Case Report—Aquatic therapy for an ALS patient, 42(2):115–120
HEALTH SERVICES FOR THE AGED
Case Report—Continuity of care maximizes autonomy of the elderly, 42(6):391–393
HEMIPLEGIA
Therapy
Brief or New—Promoting occupational therapy by using a simulated hemiplegic arm to demonstrate dressing technique, 42(2):123–126
HISTORY
Changing environment of early intervention services: Implications for practice, 42(11):724–731
Evolution of occupational therapy in the public schools: The laws mandating practice, 42(11):701–705
Looking Back—Historical research methods in occupational therapy, 42(4):239–244
HISTORY OF OCCUPATIONAL THERAPY
Looking Back—Early occupational therapy education in Wisconsin: Elizabeth Upham Davis and Milwaukee-Downer College, 42(8):527–533
HOME CARE SERVICES
Case Report—Outpatient treatment for an adult with traumatic brain injury, 42(4):247–251
Occupational therapy treatment in home health care, 42(8):513–519
Pediatric occupational therapy in the home, 42(1):17–22
HUMAN DEVELOPMENT
Praxis and gesture comprehension in 4-, 5-, and 6-year-olds, 42(2):99–104

I

INDEPENDENT LIVING
Satisfaction with Performance Scaled Questionnaire (SPSQ), 42(4):215–221
INFANT
Hand splinting for infants in the intensive care and special care nurseries, 42(4):222–226
Reliability and validity of a sensory developmental expectation questionnaire for mothers of newborns, 42(1):11–16
INFANT, LOW BIRTH WEIGHT
Efficacy study of occupational therapy with high-risk neonates, 42(8):499–506
INFORMATION SERVICES
Organizational resources for the occupational therapist in the public schools, 42(11):740–750
INFORMED CONSENT
Ethical reasoning and informed consent in occupational therapy, 42(5):283–287
INTERVENTION PROCESS, OCCUPATIONAL THERAPY
Models of occupational therapy service provision in the school system, 42(11):718–723
INTERVIEWS
Development and investigation of the Occupational Performance History Interview, 42(8):489–498

J

JOB SATISFACTION
Burnout in occupational therapists, 42(12):787–792
Perceived autonomy and job satisfaction in occupational therapists, 42(9):591–595

L

LATERALITY
Development of oral side preference during chewing and its relation to hand preference in normal 2- to 8-year-old children, 42(6):378–383
LEGISLATION
Changing environment of early intervention services: Implications for practice, 42(11):724–731
Special education and occupational therapy: Making the relationship work, 42(11):706–712
LEISURE ACTIVITIES
Case Report—Aquatic therapy for an ALS patient, 42(2):115–120
LITERATURE REVIEW
Unilateral neglect: Suggestions for research by occupational therapists, 42(7):441–448

M

MANPOWER, OCCUPATIONAL THERAPY
Men in occupational therapy, 42(4):231–237
MATERNAL BEHAVIOR
Reliability and validity of a sensory developmental expectation questionnaire for mothers of newborns, 42(1):11–16
MEDICARE
Appealing Medicare denials, 42(6):353–358
MEN
Men in occupational therapy, 42(4):231–237
MENTAL HEALTH SERVICES
Comparison of motor performance of preschoolers enrolled in mental health programs and non-mental health programs, 42(8):520–525
Psychosocial occupational therapy intervention with AIDS patients, 42(8):507–512
MODALITIES, OCCUPATIONAL THERAPY
Occupational therapy for adults with perceptual deficits, 42(7):434–440
MODELS, THEORETICAL
Perspectives on the status of sensory integration theory, 42(7):427–433
MOTIVATION
Intrinsic motivation in product-oriented and non-product-oriented activities, 42(3):169–175
MOTOR SKILLS
Comparison of motor performance of preschoolers enrolled in mental health programs and non-mental health programs, 42(8):520–525
Effects of chronic otitis media on motor performance in 5- and 6-year-old children, 42(7):421–426
MOTOR SKILLS EVALUATION
Reliability of the motor development checklist, 42(2):81–86

O

OBJECT MANIPULATION
Occupational therapy knowledge: From practice to theory, 42(9):567–576

OCCUPATION
Occupation: Form and performance, 42(10):633–641
OCCUPATIONAL BEHAVIOR
Development and investigation of the Occupational Performance History Interview, 42(8):489–498
Occupational therapy code of ethics, 42(12):795–796
Occupational therapy services in early intervention and preschool services (position paper), 42(12):793
OCCUPATIONAL THERAPIST, MALE
Men in occupational therapy, 42(4):231–237
OCCUPATIONAL THERAPY SERVICES
Special education and occupational therapy: Making the relationship work, 42(11):706–712
Therapeutic work program for head-injured adults, 42(6):364–370
ORAL MOTOR FUNCTION
Development of oral side preference during chewing and its relation to hand preference in normal 2- to 8-year-old children, 42(6):378–383
Efficacy study of occupational therapy with high-risk neonates, 42(8):499–506
Tongue movements in normal 2- to 8-year-old children: Extended profile of an eating assessment, 42(6):384–389
ORGANIZATION AND ADMINISTRATION
Perceived autonomy and job satisfaction in occupational therapists, 42(9):591–595
Promoting occupational therapy in the schools, 42(11):713–717
ORGANIZATIONS
Organizational resources for the occupational therapist in the public schools, 42(11):740–750
ORTHOTIC DEVICES
Brief or New—The D-Z Stump Protector, 42(3):185–187
OUTCOME AND PROCESS ASSESSMENT
Perspectives on the status of sensory integration theory, 42(7):427–433

P

PAIN
Effect of purposeful activity on pain tolerance, 42(9):577–581
Therapy
Pain management by occupational therapists, 42(9):582–590
PARKINSON DISEASE
Therapy
Case Report—Continuity of care maximizes autonomy of the elderly, 42(6):391–393
PATIENT ADVOCACY
Linking purpose to procedure during interactions with patients, 42(12):775–781
PATIENT EDUCATION
Linking purpose to procedure during interactions with patients, 42(12):775–781
PATIENT OUTCOME ASSESSMENT
Significance of clinical change and clinical change of significance: Issues and methods, 42(3):156–163
Unilateral neglect: Suggestions for research by occupational therapists, 42(7):441–448
PEDIATRICS
Brief or New—An assistive device for toddlers ambulating with an intravenous pole, 42(10):671–672
Brief or New—Cloth sling for treatment of infant gastroesophageal reflux, 42(7):465–468
Brief or New—Soft splinting with neoprene: The thumb abduction supinator splint, 42(6):395–398
Changing environment of early intervention services: Implications for practice, 42(11):724–731
Evolution of occupational therapy in the public schools: The laws mandating practice, 42(11):701–705
Promoting occupational therapy in the schools, 42(11):713–717
Using a single-subject research design to evaluate the effectiveness of treatment, 42(11):732–738
PERCEPTION
Occupational therapy for adults with perceptual deficits, 42(7):434–440
PERCEPTUAL DISORDERS
Assessment
OSOT Perceptual Evaluation: A research perspective, 42(2):92–98
PERSONNEL MANAGEMENT
Perceived autonomy and job satisfaction in occupational therapists, 42(9):591–595
PLANNING PROCESS, OCCUPATIONAL THERAPY
Linking purpose to procedure during interactions with patients, 42(12):775–781
PLAY AND PLAYTHINGS
Case Report—Therapeutic intervention with an adapted toy, 42(10):673–676
PLAYGROUND AND PLAYTHINGS
Planning playgrounds for children with disabilities, 42(10):653–657
POSITIONING
Brief or New—Cloth sling for treatment of infant gastroesophageal reflux, 42(7):465–468
PREVOCATIONAL TRAINING
Therapeutic work program for head-injured adults, 42(6):364–370
PROBLEM SOLVING
Analysis of information processing and cognitive disability theory, 42(3):176–183
PROFESSIONAL COMPETENCE
Educational preparation and professional activities of occupational therapists, 42(10):642–646
PROFESSIONAL–PATIENT RELATIONS
Linking purpose to procedure during interactions with patients, 42(12):775–781
PROFESSIONAL PRACTICE
Two practitioners' analyses of occupational therapy practice dilemmas, 42(5):312–319
PROGRAM EVALUATION
Using a single-subject research design to evaluate the effectiveness of treatment, 42(11):732–738
PROSTHESIS
Comparison of myoelectric and conventional prostheses for adolescent amputees, 42(2):87–91
PSYCHIATRY
Analysis of information processing and cognitive disability theory, 42(3):176–183
PSYCHOANALYTIC THEORY
Anger intervention, 42(3):147–155
PSYCHOMETRICS
Analysis of information processing and cognitive disability theory, 42(3):176–183
PUBLIC POLICY
Access to health care: A clinician's opinion about an ethical issue, 42(5):295–299
PUBLIC SCHOOLS
Evolution of occupational therapy in the public schools: The laws mandating practice, 42(11):701–705
Models of occupational therapy service provision in the school system, 42(11):718–723
Promoting occupational therapy in the schools, 42(11):713–717
Special education and occupational therapy: Making the relationship work, 42(11):706–712
PURPOSEFUL ACTIVITIES
Effect of purposeful activity on pain tolerance, 42(9):577–581
Occupation: Form and performance, 42(10):633–641

Q

QUADRIPLEGIA
Brief or New—Makeup board for women with quadriplegia, 42(4):253–255

R

READING
How to read a research paper, 42(9):596–600
Recisions of and changes in official documents of the American Occupational Therapy Association, inc., 42(12):794

REHABILITATION
Professional involvement in sexuality counseling for patients with spinal cord injuries, 42(2):105–112
Use of behavioral techniques in functional skills training after severe brain injury, 42(10):658–665
Equipment
Quality assurance in equipment ordering for the spinal cord–injured client, 42(1):36–39
REHABILITATION, VOCATIONAL
Case Report—Outpatient treatment for an adult with traumatic brain injury, 42(4):247–251
REIMBURSEMENT MECHANISMS
Appealing Medicare denials, 42(6):353–358
Occupational therapy treatment in home health care, 42(8):513–519
RELAXATION TRAINING
Pain management by occupational therapists, 42(9):582–590
RESEARCH
Looking Back—Historical research methods in occupational therapy, 42(4):239–244
Occupational therapy for adults with perceptual deficits, 42(7):434–440
Perspectives on the status of sensory integration theory, 42(7):427–433

S

SELF-CARE
Brief or New—Makeup board for women with quadriplegia, 42(4):253–255
Brief or New—Shoe donner, 42(12):811–813
Quality assurance in equipment ordering for the spinal cord–injured client, 42(1):36–39
SELF-CONCEPT
Comparison of myoelectric and conventional prostheses for adolescent amputees, 42(2):87–91
SELF-HELP DEVICES
Brief or New—Makeup board for women with quadriplegia, 42(4):253–255
SENSORY DEVELOPMENT
Reliability and validity of a sensory developmental expectation questionnaire for mothers of newborns, 42(1):11–16
SENSORY INTEGRATION
Adult performance on three tests of equilibrium, 42(1):30–35
Praxis and gesture comprehension in 4-, 5-, and 6-year-olds, 42(2):99–104
Relationship between visual-perceptual motor abilities and clumsiness in children with and without learning disabilities, 42(6):359–363
SERVICES, OCCUPATIONAL THERAPY
Occupational therapy Level II fieldwork experience: Estimation of the fiscal benefit, 42(3):164–168
Pediatric occupational therapy in the home, 42(1):17–22
Psychosocial occupational therapy intervention with AIDS patients, 42(8):507–512
SEX EDUCATION
Sexual functioning as a topic in occupational therapy training: A survey of programs, 42(4):227–230
SINGLE-SUBJECT RESEARCH
Using a single-subject research design to evaluate the effectiveness of treatment, 42(11):732–738
SOCIAL CHANGE
Access to health care: A clinician's opinion about an ethical issue, 42(5):295–299
SPINAL CORD INJURIES
Professional involvement in sexuality counseling for patients with spinal cord injuries, 42(2):105–112
SPLINTS, FINGER
Brief or New—A dynamic finger flexion loop, 42(8):535–537
SPLINTS, HAND
Brief or New—Roll splints: An option in low-profile dynamic splinting, 42(1):49–52
Brief or New—Soft splinting with neoprene: The thumb abduction supinator splint, 42(6):395–398
Case Report—Early controlled motion following flexor tendon graft, 42(7):457–463
Hand splinting for infants in the intensive care and special care nurseries, 42(4):222–226
STRESS
Burnout in occupational therapists, 42(12):787–792
STRESS, PSYCHOLOGICAL
Therapy
Anger intervention, 42(3):147–155
STROKE
Relationship of cognitive skills performance to activities of daily living in stroke patients, 42(7):449–455
Therapy
Brief or New—Promoting occupational therapy by using a simulated hemiplegic arm to demonstrate dressing technique, 42(2):123–126
SUCKING BEHAVIOR
Efficacy study of occupational therapy with high-risk neonates, 42(8):499–506

T

TECHNOLOGY
Occupational therapy knowledge: From practice to theory, 42(9):567–576
TENDON INJURIES
Therapy
Case Report—Early controlled motion following flexor tendon graft, 42(7):457–463
TEST CONSTRUCTION
Development and investigation of the Occupational Performance History Interview, 42(8):489–498
Development of the Satisfaction with Performance Scaled Questionnaire (SPSQ), 42(4):215–221
TEST RELIABILITY
OSOT Perceptual Evaluation: A research perspective, 42(2):92–98
Reliability of the Motor Development Checklist, 42(2):81–86
TESTS, BY TITLE
Maslach Burnout Inventory, 42(12):787–792
Motor Development Checklist, 42(2):81–86
Occupational Performance History Interview, 42(8):489–498
OSOT Perceptual Evaluation: 42(2):92–98
Satisfaction with Performance Scaled Questionnaire (SPSQ) 42(4):215–221
THEORY
Occupational therapy knowledge: From practice to theory, 42(9):567–576
TOUCH
Comparison of tactile preferences in children with and without cerebral palsy, 42(6):371–377

V

VALUES CLARIFICATION
Ethical considerations in clinical reasoning: The impact of technology and cost containment, 42(5):288–294
VIBRATION
Therapeutic use of
Pain management by occupational therapists, 42(9):582–590
VISUAL PERCEPTION
Relationship between visual-perceptual motor abilities and clumsiness in children with and without learning disabilities, 42(6):359–363
